## Gym Rehabilitation

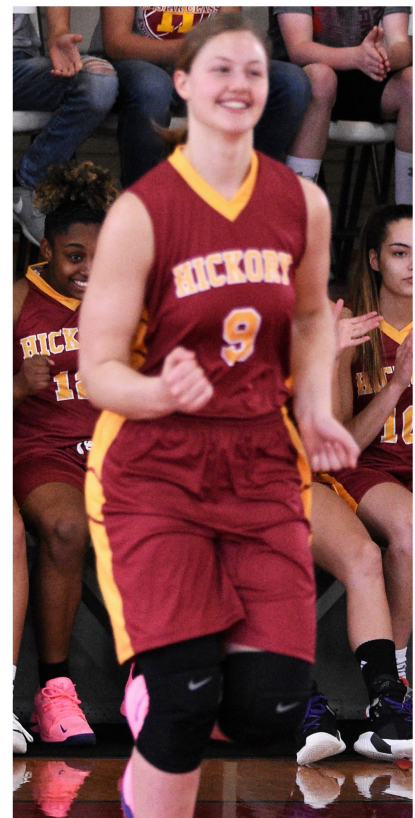

Lt. Gov. Suzanne Crouch will be speaking at the Indiana Office of Community and Rural Affairs (OCRA) Regional Conference May 23rd at The Hoosier Gym.

At 1:00 P.M. there will be a ground breaking ceremony to begin the rehabilitation project. The project is funded by an OCRA Grant of \$500,000. The project will replace the roof, install new windows and complete tuck pointing of the deteriorating brick. This work preserves an important historic landmark and important tourist attraction.

The Gym will not be available for rental until after the construction work is done, but every effort will be made to keep the Gym open for visitors. The Gym Thanks you for your patience as we strive to keep the Gym in a condition that will last for another 100 years, as a shrine to Shooter's declaration :
